Request for Taxpayer Identification Number and Certification

► Go to www.irs.gov/FormW9 for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type.
See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank. PLATELOGIQ, LLC					
2 Business name/disregarded entity name, if different from above					
3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes. <input type="checkbox"/> Individual/sole proprietor or <input type="checkbox"/> C Corporation <input checked="" type="checkbox"/> S Corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate single-member LLC <input type="checkbox"/> Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ► Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner. <input type="checkbox"/> Other (see instructions) ►					
5 Address (number, street, and apt. or suite no.) See instructions. EAGLEVIEW BLVD, STE 300			Requester's name and address (optional)		
6 City, state, and ZIP code EXTON, PA 19341					
7 List account number(s) here (optional)					

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
<input type="text"/> <input type="text"/> <input type="text"/> - <input type="text"/> <input type="text"/> - <input type="text"/> <input type="text"/> <input type="text"/>

or

Employer identification number
<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ► 

Date ► **3/1/2024**

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

Solve more crimes, faster.

Increase traffic enforcement and compliance while building a powerful, cost-effective intelligence database.

1.0 Solving Crime, Enhancing Enforcement

This PLATELOGIQ solution will provide advanced capabilities to Harrisburg Police Department that will both aid in solving crimes and increase the level and degree of traffic enforcement and compliance in the City. A few of the key benefits include:

The infographic is divided into three horizontal sections. The top section has a light blue background. The middle section has a dark blue background. The bottom section has a very dark blue background. Each section contains two items: an icon on the left and a text description on the right.

- Access to a regional database of more than 4 billion reads per year.**
Icon: Computer monitor with '100M+' text and a cloud with arrows.

100M+
- 24 hour per day, 365 day per year record of vehicle license plates through the identified intersection.**
Icon: Clock with '24/7' and a license plate reading 'ABC - 123'.

24/7 ABC - 123
- Regional and national data interfaces to improve crime solving through intelligence sharing.**
Icon: Cloud with arrows and a server tower.

Cloud with arrows and server tower
- Make, Model, Color analysis (daytime) for rapid identification and searching of vehicles – dramatically lowering time spent by officers and detectives investigating crimes.**
Icon: Car with a magnifying glass over it.

Car with magnifying glass
- Increased traffic enforcement through the use of the in-car web application to monitor traffic for PennDOT violations.**

2.0 Scope of Work

PLATELOGIQ (PL) will provide Harrisburg Police Department with a comprehensive suite of hardware and software to monitor vehicle traffic at the intersections described in this section. Our solution will include high definition advanced license plate recognition (LPR) cameras and state of the art machine-learning analysis software.

PL will provide and install the following items:

- ④ License Plate Recognition processors at each intersection
- ④ License Plate Recognition cameras, quantities identified per intersection
- ④ Overview camera(s), quantities identified per intersection
- ④ LPR service licenses
- ④ LPR maintenance
- ④ Cabling and brackets
- ④ Access to the VIPR Web and Mobile App, unlimited users
- ④ 1 day training on the VIPR and Mobile App (training is designed in the train the trainer model)

PLATELOGIQ will work with a third-party installer to install the cameras and cabling on either the traffic signal mast arms or a center-island light standard. PLATELOGIQ will be responsible for the installation of all LPR equipment and networking.

3.0 VIPR Service Subscription Model

The VIPR Service is provided exclusively as a subscription-based offering, ensuring users receive a comprehensive package that includes ongoing maintenance, software updates, cloud storage, and support services throughout the subscription term. This subscription model is designed to deliver continuous value, enabling the service to evolve with user needs through regular enhancements and improvements.

Customers have the flexibility to choose an annual payment plan or a multi-year prepaid option of up to five years. The multi-year option provides convenience and potential cost benefits while guaranteeing uninterrupted access to all VIPR services for the duration of the prepaid term.

It is important to note that the service will cease to function if the subscription is not renewed upon expiration of the prepaid term or annual cycle. This approach ensures that users always benefit from the latest features, security updates, and a fully managed service experience without the need for separate or incremental costs beyond the subscription fee.

Installation Options

4.0 Schedule

Task	Duration	Estimated Schedule
Installation of LPR Cameras	7 days	October 2025
Networking Integration, testing, training	2 days	October 2025

5.0 PLATELOGIQ Will Provide

PLATELOGIQ will provide the following equipment as part of this effort:

- ④ License Plate Recognition processors
- ④ License Plate Recognition cameras
- ④ Overview Cameras
- ④ All required power and ethernet cabling
- ④ VMS Licenses (Overview Cameras)
- ④ VMS Storage (Overview Cameras)
- ④ 5G Modems

6.0 Client Will Provide

- ④ Available 120V AC power for LPR processor in traffic control cabinet
- ④ TMobile/Verizon/AT&T Cellular Data Service

Total Cost Summary

The total COSTARS-discounted price is **\$514,100**.

This reflects a discount from the total list price of **\$714,037**.

Pricing includes equipment, installation, system maintenance, and services as outlined.

8.0 Subscription Renewal Terms

The VIPR Service operates on a subscription basis, with options for annual or multi-year prepaid terms of up to five years. Payment is required to maintain uninterrupted access to the service. Before the end of the current contract term, we will provide updated pricing for the upcoming term. Customers have the flexibility to lock in this pricing for an additional year or a longer prepaid renewal period. This ensures continued access to all features, updates, and services while offering the potential for cost savings with multi-year commitments.

9.0 Terms and Conditions

Professional Services outlined in the above Scope of Work will be provided for a total fee as detailed above by Task, including all expenses. Any additional services would be performed based on a then current Fee Schedule.

Based on the current PLATELOGIQ understanding of what is to be accomplished, the pricing identified above represents the value of the work anticipated for the project to be successful. Please know, above all else, that PLATELOGIQ is flexible and agreeable to negotiate any and all SOW terms and associated fees established herein. PLATELOGIQ's priority is for this project to be successful and we stand prepared to increase or decrease the amount of support necessary for success to occur.

10.0 Next Steps

PLATELOGIQ

City of Harrisburg

1	Agency issues purchase order	
2	Agency Agreement is executed	PLATELOGIQ will provide the agency with an Agency Agreement that details the terms, conditions, roles and responsibilities. The Agency will counter-sign the agreement and return it to PLATELOGIQ.
3	Site Survey	PLATELOGIQ will conduct a site survey of the installation location to determine if any special circumstances exist.
4	Approvals	PLATELOGIQ will assist the agency with applying for and securing any approvals or permits, if required. (PennDOT/local approvals).
5	Cable & Testing	PLATELOGIQ will install and test network cables and the LPR processor to ensure a seamless installation.
6	4G/Network Connectivity	Agency provides network connectivity for LPR processor via TMobile/Verizon/AT&T SIM card or other arrangement.
7	Installation	PLATELOGIQ will schedule the PennDOT-approved contractor to install and aim the cameras.
8	Final Testing & Go-Live	PLATELOGIQ will verify the proper operation of the entire system and certify it to Go-Live.
9	Training	Once the complete system is live PLATELOGIQ will schedule and conduct user training.
10	Support	Following Go-Live PLATELOGIQ will provide Next Business Day support to the agency for the duration of the contracted maintenance period.
